**Assurances:** This agreement is in effect only when all criteria and conditions of the Career Pathways Program & student have been met. Selection criteria must be met for acceptance into each postsecondary program. Program requirements from either partner may change without notice.

- A. A seamless transition from secondary to postsecondary education and training exists.
- B. Students will be accepted into the postsecondary portion of the program according to application criteria.
- C. Postsecondary institutions accept the transfer of articulated secondary level concurrent credits awarded to high school students.
- D. Dual and concurrent enrollment and other credit transfer options are well defined between secondary and postsecondary partners.
- E. Compliance with approved Board policies.

### Outcomes

Secondary- Career pathway students have career goals designated on SEOP, are earning concurrent college credit while in high school, will achieve a State competency certificate, and are completing high school graduation requirements.

Postsecondary-Career pathway students pursuing the above program will earn an A.S. / A.A.S. degree.

Course #	Davis Applied Technology College	Hours	Credits	Course #	Weber State University	Credits
MACH 1003	Machining Introduction	90	→	MFET 1210	Machining Principles I	3
MACH 1011	Lathe Operations I	120	→	MFET 1210L	Machining Principles I Lab	
MACH 1021	Vertical Mill Operations I	120	→	In addition to completing the courses above, the MFET program will administer a competency exam. The student must pass this exam with a score of 70% or higher in order to receive credit for MFET 1210.
