

## Regional Career Pathway Agreement

<b>Area of Study: Skilled &amp; Technical Sciences Edu.</b>		<b>Effective Dates: July 1, 2014 – June 30, 2016</b>
Region: Wasatch Front North Region	Ogden-Weber ATC	<b>College/Institution: Weber State University</b> <b>Program: Manufacturing Engineering Technology – Welding Emphasis</b> <b>Name of Degree or Certificate: AAS Degree Manufacturing Engineering Technology - Welding Emphasis</b>
Contact Person: Emily Okerlund	Ph.#: (801) 698-1513	
E-mail: <a href="mailto:eokerlund@wsd.net">eokerlund@wsd.net</a>	Date: 10/1/14	

**Assurances:** This agreement is in effect only when all criteria and conditions of the Career Pathways Program & student have been met. Selection criteria must be met for acceptance into each postsecondary program. Program requirements from either partner may change without notice.

- A. A seamless transition from secondary to postsecondary education and training exists.
- B. Students will be accepted into the postsecondary portion of the program according to application criteria.
- C. Postsecondary institutions accept the transfer of articulated secondary level concurrent credits awarded to high school students.
- D. Dual and concurrent enrollment and other credit transfer options are well defined between secondary and postsecondary partners.
- E. Compliance with approved Board policies.

**Outcomes:**  
 Secondary- Career pathway students have career goals designated on SEOP, are earning concurrent college credit while in high school, will achieve a State competency certificate, and are completing high school graduation requirements.  
 Postsecondary- Career pathway students pursuing the above program will earn an credit towards BS degree.
